

Paint Out – Theodore Payne Foundation

9:00 am to 4:00 pm

Theodore Payne Foundation

We have joined forces with the Theodore Payne Foundation for an exciting opportunity!!

We have two unsupervised days to paint on location at Theodore Payne Foundation which is the best kept secret in San Fernando Valley. The TPF is a non-profit entity that is dedicated to the preservation and propagation of California Native Plants. It houses a nursery, gift shop, gallery, and educational space for the community. The hills surrounding Theodore Payne Foundation provide a great vista of the San Fernando Valley.

Open to **SFVAC MEMBERS ONLY**

Cost: \$20.00 total, whether you paint for one or two days. This fee will be applied towards your entry fee for the TPF Show in July and August of this year.

If you signed up for the workshop with Frank Lennartz, then you are welcome to return to TPF for free on April 10 and 11, 2014.

Make check payable to **SFVAC** and send to
