

## Paint Out at Sepulveda Water Reserve

### Sepulveda Basin Water Reserve

Birds are guaranteed at this location. There is about a ¼ mile walk to the lake from the parking area on a flat decomposed granite pathway. Pat Bates will meet artists at the building near the parking lot (bathrooms and storage buildings) and direct to the viewing locations. There will be views of the wildlife lake. Also the path is adjacent to Haskell Creek if anyone wants to do a creek rather than a lake.

Address and Directions to: SBWR is in Woodley Park (off Woodley Ave) Van Nuys, CA 91436. Exit 405 on Burbank or Victory going west; turn north from Burbank or south from Victory onto Woodley Ave. Go about a half mile, then turn onto wide apron at sign for Japanese Garden (east side of street). Do not approach gated area (which leads to the Tillman Plant). Instead follow signage for the Wildlife Area - the rightmost driveway you can take. Drive all the way back till it dead-ends in a large circular parking lot. Parking is free.
