

REA NAGEL PRESENTS A SPECIAL WORKSHOP

# “Trees & Rocks”

Explore different techniques of painting trees and rocks (both together and separately). I will show you many different methods to get results.

We will be using a variety of materials and media.

The workshop is suited for the artist who is ready to learn something different.

Most of the work will be done with watercolors, working with only 3 or 4 colors, and also using oil pastels, acrylics, and pastels for accents to achieve sharper effects.
